# Dear Travel Connoisseur,

They say the world is a book and those who do not travel read only one page.

So, we decided to design the ultimate guide to experience the world at Sea. We invite you to sit back and relax as you flip through the pages of our carefully curated menu of destination-driven, yacht-cruise-experiences hand picked and delicately crafted for you.

Variety Cruises - circa 1949 - is an award winning boutique cruise line, recently voted the #1 boutique cruise line worldwide by the readers of USA Today, providing inquisitive minds with intimate yacht cruise experiences worldwide, on board upscale vessels hosting no more than 71 guests.

We pride ourselves in not only being the leading small ship cruise line worldwide with eleven state-of-the-art SOLAS certified Yachts, but also to being a pioneer when it comes to providing a platform of diversity and equal approach for our staff and guests alike, as well as for the communities we visit; caring for all as our extended family.

With over 300 ports of call, and over 10,000 guests annually spanning 50 years at Sea, Variety Cruises is a natural playground of synchronicity, adventure, leisure, and education. Yet we always remain faithful to our core mission to create positive change through our operations and set standards for the global tourism industry, as we enter a new era of travel, driven by sustainability and diversity.

When it comes to the LGBTQ market we not only pride ourselves in creating a platform of inclusion, privacy, and safety for all; but also to developing in depth destination experiences keeping our guests' preferences at mind. We have partnered with top travel services & operators to provide custom experiences on board both our charters as well as scheduled departures.

That said, we go beyond marketing for the LGBTQ community or just designing upscale yachts and in depth LGBTQ friendly programing and itineraries, but by proactively becoming involved with local organizations pertaining to LGBTQ issues and understanding the destinations we visit and their local culture and approach. We work towards a safer, more inclusive environment with equality at the core of all our efforts, by joining and supporting local organizations and global LGBTQ initiatives.

We have close ties with THE TREVOR PROJECT a US leading LGBTQ organization supporting their efforts not only via fund-raising efforts but by additionally part-taking in a Trans-Education initiative that began with the documentary Draw With Me in 2018, and soon developed into a platform for an entire education and awareness expansion movement. Still, our passion for implementing our philosophy of inclusion and turning it into action does not end there.

We don't take the open arms of the communities we visit for granted, by minimizing our impact and footprint, while supporting the local communities, by sourcing local goods and services, from local market produce, to experienced local guides, in turn providing our guests rich authentic experiences. We furthermore thrive from diversity, thus train and employ local teams on board our vessels, staying true to our global approach and philosophy. Additionally, we are proud to have recently completed the first phase of our single use plastic reduction program across our fleet with an end goal of eliminating single use plastic on board all our vessels by the end of 2019, hoping to set an industry example. Last but not least, we have joined forces with PHILOX Project a US based non-profit specializing in the education and support of youth in distress in the destinations we visit, in our continued promise to expand the operations of our VARIETY CARES initiative.

We truly pride ourselves in our history, and all that we do & stand for, so we ask you to experience the world through our eyes. Dive in, as you join our family and experience the world at Sea with Variety Cruises. You can drop your anchors; you have arrived...

Welcome to your home away from home at Sea.

Ambassador of the brand &  
Chief Social Responsibility Officer  
Constantine Venetopoulos
